

what we are doing to be GREEN

Sheraton Brussels Hotel has introduced a number of programs to offer you the choice of going Green when booking your next meeting..

Here are just a few examples of the eco-friendly initiatives you may experience throughout your stay..

Discover how we're making sustainability a top priority, and let's discuss how we can help you to do that too..

GREEN MEETINGS STARTING FROM €80/DAY

- Recycling services in meeting space
- Digital signage
- Sustainable options for meeting supplies and paper products
- Green printing services
- Green transportation information and options
- Sheraton Clutter Free Meeting set-up means more room to connect as well as less waste
- Potted plant displays in place of flowers
- Use of filtered water instead of serving bottled water for meeting spaces
- Environmentally sustainable disposable packaging options
- Buffets with linenless tables and reduced usage of individually-packaged condiments
- Sustainable food menu options, including the 100% Belgian menu made from only local products, and use of Certified Fair Trade products (coffee, tea, sugar, biscuits, wines & more)

For its efforts, the Sheraton Brussels Hotel has been awarded "1 Star" by the Belgian Label for Ecodynamic Enterprises. This label formally recognizes environmental management of a company by helping to develop, maintain and plan its efforts including energy and water savings.

GREEN ROOMS

- 'Make a Green Choice' allows guests to decline housekeeping services in order to assist our conservation efforts
- Eco-friendly and biodegradable cleaning products and materials
- Energy-efficient lighting in guestrooms and public spaces
- Environmentally friendly alternatives to traditional bottled water and PET
- Redirecting used amenity bottles and soaps to local charity
- Selection of environmentally-aware suppliers where possible
